

Study Sport

at Reaseheath

Industry focused,
career ready

Are you passionate about sport and eager to build a career in the industry? Join us at Reaseheath College this September!

Our sport courses are crafted for individuals ready to turn their enthusiasm into a rewarding profession. At Reaseheath, we focus on hands-on, exciting learning. Whether analysing performance data in our Sports Performance Centre or training with top coaches, you'll be fully immersed in your learning.

We offer a variety of sports including football, netball, rugby, volleyball, rock climbing, and kayaking. Our state-of-the-art facilities include a gym, professional grade 3G pitches, an indoor sports hall, and a high-

tech £6 million Sports Science and Performance Academy. Learn from industry-leading coaches and gain experience in elite athlete training, nutrition, psychology, and coaching.

Reaseheath prepares you for diverse career opportunities in coaching, sports therapy, nutrition, and sports management. Join our supportive community and take the next step towards your sports career with us this September.

Here's a quick reminder of what's waiting for you!

This year our students have experienced a range of opportunities that have allowed them to go above and beyond the boundaries of the classroom. You could be enjoying these sorts of activities:

Exclusive Crewe Alex club tour

Students gained an insider's view of professional football operations at Crewe Alexandra FC, exploring state-of-the-art facilities and interacting with club staff and players.

Sporting fixtures

From local leagues to national tournaments, we competed in several competitions including the AoC North West Leagues and AoC Regional Championships in football, netball and basketball. We also sent representatives to ECFA trials.

Guest speakers

Students learned about the wide range of opportunities available in

the UK and overseas in a series of presentations, including:

- **219 Sports** on securing sports scholarships in the USA
- **Cheshire FA** workshops on football tactics and coaching
- **Camp America** sessions on summer camp coaching opportunities in the USA
- **The Sports Coaching Group** on insights into various coaching careers.

Celebrating excellence

This year's Sports Awards celebrated achievements in and out of college.

Marcey-Ann Lakin won Athlete of the Year, Adam Landstrom was named Coach of the Year, and the Men's Football 1st Team won Team of the Year.

Coaching masterclass

Our students took part in a competitive coaching masterclass, where they planned and delivered

sessions judged by industry experts.

Lucy Bates and Marcey-Ann Lakin won first place with a volleyball session, while Sebastian Muszynski and Tristen Terry took third place with a football session.

Get ready for an exciting year ahead with a range of thrilling opportunities designed to elevate your sports experience and career prospects.

Fitness testing

You'll get to undertake industry-standard fitness tests including speed gates, VO₂ Max, health screening, and altitude chamber testing, both on yourself and a client for real-life experience.

offers incredible opportunities for our students to excel in the sports industry. Could you be a part of their next generation of sports coaches?

Compete at a higher level

The men's football team is ready to defend their title in the AoC Championship Division. Join us and play your part in our sporting success! Trials will be taking place up until the week before the season so ask your course manager how you can get involved.

Career opportunities with NAR Kollektive

Kickstart your career in coaching and sports management with NAR Kollektive. This partnership

A word from past students

“ My goal is to be an elite para swimmer and to compete at the Los Angeles Paralympics in 2028. I’m a member of the National Youth Performance Squad and compete at the highest level for my age group, which means I have to follow a demanding training regime alongside my studies. So, I had to choose a college which would support my sporting career as well as give me a good educational qualification. Reaseheath has delivered on both - and much more!

Georgio Oxby

- Level 1 Vocational Studies (Sport) 2023
- Level 2 Extended Certificate in Sport 2024

“ The skills I learned at Reaseheath, and particularly the support from my lecturers, helped me realise my dream of becoming a fully qualified fitness instructor and personal trainer. My time as a Reaseheath student gave me the room to grow and develop.

Skye Tyler-Smith

- Fitness Instructor ■ Personal Trainer
- Gym Manager at Aptitude Health and Fitness
