Adventure Sport	I have enjoyed every part of studying at Reaseheath
Adventure Sport	My college tutor Jack Stanyer is amazing and has been the biggest help to me and my class building us as individuals and providing the support we need.
ALE	Best thing - meeting new people
ALE	Meeting new people, learning new skills
ALE	Overall great experience
ALE	I am so grateful that I was given the opportunity to go to Reaseheath and study in an area that I enjoy, my understanding about the industry that I'm going into has gotten greater and I hope I can continue to develop on this with the level 3 course.
ALE	The best thing about experience from the college had to be the practical's.
Animal Management	Emily pitman always goes the extra mile for students brill teacher
Animal Management	I feel like the learning support has been really affective and brilliant as well as my course manager this year has been great as well. And I have enjoyed the course I find it more interesting, and I have really enjoyed it personally. I am looking forward to doing university at Reaseheath and studying zoology.
Animal Management	being residential and learning independence by living away from home
Animal Management	The college has been very good at providing engaging courses and providing a safe environment.
Animal Management	The best thing about my experience has probably been the ability to develop my skills/knowledge and start the foundation of where i want to eventually end up job wise.
Animal Management	The best thing has been Practical lessons where we had to create enrichment for the animals
Animal Management	Love how I have worked with almost all animal on the zoo during practical within my first year
Animal Management	Best thing has been the unique experiences you can't get anywhere else.
Animal Management	Gained a lot of practical knowledge about animal husbandry and handling.
Animal Management	The best thing about Reaseheath is the opportunity to meet a variety of people, both students and teachers with a range of experiences.
Animal Management	Megan Robinson has been the best teacher that the college has ever employed, she is extremely helpful and supportive.

Internal

Animal Management	had a very good experiences during the year with the teachers and students and the content.
Animal Management	the best thing about my Reaseheath experience are the people I've met whilst learning a lot more about animals.
Animal Management	The best thing has just been to meet people with the same interests as me and have teachers that take our suggestions on things we like to do (such as working with specific animals in practical with Beth L etc).
Animal Management	I love the teachers overall positivity and love for working here. The beautiful large campus, friendly staff , cool/different types of people , teachers passion for animals/learning / engaging.
Animal Management	It has helped me discover more about my individuality and independence, especially living on site.
Animal Management	I have loved been at Reaseheath college because college is fun and allows me to do what I love which is working with animals.
Animal Management	the best thing about my experience at Reaseheath college is the feeling that i have a better chance to go into the career I want to do.
Animal Management	It's an absolutely amazing college and I would recommend it to most people.
Animal Management	I've never been happier I love studying at Reaseheath and being a student here.
Construction	The best college I been to for last four year.
Construction	Chris was absolutely and unequivocally phenomenal at being our course manager and lecturer.
Construction	The best things have been the experiences and knowledge I bring into the workplace.
Construction	The college is very inclusive and cares about your future.
Engineering	The best part of studying at Reaseheath has been the course delivery, I started this course to gain confidence through knowledge of vehicle systems to be able to repair them at my current workplace. this has been achieved with Reaseheath and the rest of the journey is up to me to expand on what I have learned.
Engineering	college is good and it has supportive teachers.
Engineering	My Reaseheath experience has been very positive and helped me towards my chosen career path. Any improvements? None, all really good.
Equine	Being at equine is lovely- love the horses and the practical lessons.
Equine	Making friends with people who share the same interests and values, and sharing information to help each other gain knowledge and experience.
Equine	I think for me the best thing has been my personal development as well as my development in my Equine knowledge.
Equine	lecturers have been super supporting, thank you
Equine	keep Rachel as a tutor because she is amazing and keep Marie Claire as the progress coach because she is amazing at her job and she helps support your needs the best she can.

Equine	Rachel Woodacre has been absolutely amazing throughout my time at college. She is so incredibly supportive and approachable. Her lessons are always engaging and understandable and she does not hesitate to explain things further when someone does not understand. She always makes sure everybody is doing okay and goes above and beyond to help in any circumstances or with anything students need support with.
Foundation	I think that Reaseheath is a wonderful place and it helps everyone.
Foundation	The best thing is making friends. I love everything.
Foundation	Making friends I love biology and theory lessons
Foundation	It has been a good experience, we've done more stuff on the zoo. I've enjoyed the practical's the most.
Foundation	I really liked everything there's nothing bad
Foundation	Working with the animals & gaining more confidence
Foundation	Coming to collage has helped me with my mental health
Foundation	Best thing - Sean my course manager has made me more comfortable with being here and I have grown more confident, and I enjoy the practical's.
Foundation	The college is supportive when you have problems
Foundation	As mentioned before, my course managers and tutors have been incredibly kind, supportive, and informative. I've loved this year and have experienced a lot of personal development alongside educational development. I have been motivated to come in and work and have felt disappointed on days I could not come in because I was fully unable to walk or operate. The work has been fun and I have enjoyed the course and college very much, can't wait for next year.
Foundation	one of the best experiences I've had since being at Reaseheath is the company and friends I've made and the confidence I've gained the way I've learned things more easier and achieved things I thought I would never .
Foundation	I can't suggest anything to improve the best thing about my experience is the positive motivation and friendships i have gained
